RECOMMENDATION FORM CONTINUED

Please provide additional information relevant to the applicant's suitability for graduate study by answering the two questions below. We are especially interested in the applicant's strengths and challenges with regard to potential for graduate study and future success as a professional. These comments are weighed very heavily by our admissions committee.

QUESTION 1:

Please describe 2-3 strengths that would make the applicant a good candidate for a graduate program in the field of Special Education.

QUESTION 2:

Please describe any concerns you have regarding the candidate's ability to successfully participate in the graduate program.
